DISCLAIMER

- 1- Though adequate care has been taken while preparing the Bid document, the Bidder shall satisfy themselves that the document is complete in all respects.
- 2- A provision shall be made in the software of the Procurement portal where all the bidders / firms shall be asked to accept that they agree to all Qualifying Requirements (QRs) – Specifications / Eligibility Criteria/ Terms & Conditions of the said DNIT. In case the bidder/ the firm do not accept the same, the software will not allow the bidder/ firm to proceed further in the procurement process. However, following Grievance Redressal Mechanism for participating bidders/ firms shall be available:
 - (a) After the final scrutiny of the Technical Bids by the competent authority in Government Department/ Organization , the final status of the bidders, being as per NIT/ Not as per NIT, will be intimated to all the participating bidders/ firms within two days of the approval of proceedings of the final Technical Committee Meeting for the said tender at their registered E-mail ID/ address.
 - (b) All the bidders/ firms who want to make any representation/ complaint against any issue related to their technical scrutiny of the bids may do the same within 5 working days (up to 5.00 PM of the Fifth Working day) from the date of issue of letter/ intimation regarding their as per NIT/Not as per NIT status. They have to ensure that their communication is delivered / reached within 5 working days and delay in postal will not be counted as a valid reason.
 - (c) The tendering Department/ Organization will examine the representation/ complaints so received from the bidders/ firms and take a final decision on the same within 5 working days. The five working days will be counted from 6th day to 10th working day of the total Grievance allotted duration of 10 working days.
 - (d) After the completion of the Grievance allotted duration of 10 working days, the Financial Bid will be opened.
 - (e) **No representation/ complaint in whatsoever manner from the bidders/ firms will be entertained after the opening of Financial Bid.**
- 3- Nodal Agency reserves the right to modify, amend or supplement Bid Document including all formats and annexure at any time. Interested and eligible Bidders are advised to follow and keep track of Nodal Agency's web-site for updated information. No separate

notifications will be issued for such notices/ amendments/ clarification etc. in the print media or individually. Nodal Agency shall not be responsible and accountable for any consequences to any party.

- 4- While this Bid document has been prepared in good faith, neither Nodal Agency nor their employees or advisors make any representation or warranty, expressed or implied, or accept any responsibility or liability, whatsoever, in respect of any statement or omissions herein, or the accuracy, completeness or reliability of information and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of this Bid Document, even if any loss or damage is caused by any action/ omission on their part.
- 5- In the Pre-bid meeting, if convened, only the technical parameters of the indented systems/ plants could be discussed. No representation / discussion will be entertained/ hold with respect to any term & condition and eligibility criteria.

INSTRUCTIONS TO BIDDER ON ELECTRONIC TENDERING SYSTEM

These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.

1. Registration of bidders on e-Procurement Portal:-

All the bidders intending to participate in the tenders processed online are required to get registered on the centralized e-Procurement Portal i.e. <https://haryanaeprocurement.gov.in>. Please visit the website for more details.

2. Obtaining a Digital Certificate:

- 2.1** The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital Certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.
- 2.2** A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Post Master / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://haryanaeprocurement.gov.in>.
- 2.3** The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from:

M/s Nextenders (India) Pvt. Ltd.

O/o. Department of Supplies & Disposals (DS&D), Haryana,
SCO – 09, IInd Floor,
Sector – 16,
Panchkula – 134108

E - mail: Chandigarh@nextenders.com

Help Desk: 1800-180-2097 (**Toll Free Number**)

- 2.4** Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during of bid preparation stage. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep certificate** at safe place under proper security (for its use in case of emergencies).
- 2.5** In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney /lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all

partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.6 In case of any change in the authorization, it shall be the responsibility of management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

2.7 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

3 Opening of an Electronic Payment Account:

For purchasing the tender documents online, bidders are required to pay the tender documents fees online using the electronic payments gateway service shall be integrated with the system. For online **payments guidelines**, please refer to the Home page of the e-tendering Portal <https://haryanaeprocurement.gov.in>.

4 Pre-requisites for online bidding:

In order to bid online on the portal <https://haryanaeprocurement.gov.in> , the user machine must be updated with the latest Java & DC setup. The link for downloading latest java applet & DC setup are available on the Home page of the e-tendering Portal.

5 Online Viewing of Detailed Notice Inviting Tenders:

The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal e-procurement system on the Home Page at <https://haryanaeprocurement.gov.in>

6 Download of Tender Documents:

The tender documents can be downloaded free of cost from the e-Procurement portal <https://haryanaeprocurement.gov.in>

7 Key Dates:

The bidders are strictly advised to follow dates and times as indicated in the online Notice Inviting Tenders. The date and time shall be binding on all bidders. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the online Notice Inviting Tenders.

8 Bid Preparation (Technical & Financial) Online Payment of Tender Document Fee, e-service fee, EMD fees of online Bids:

- 8.1 The online payment for Tender document fee, eService Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee and eService Fee can be made by eligible bidders/ contractors online directly through Debit Card/ Credit Cards & Internet Banking Accounts and the Payment for EMD can be made online directly through RTGS / NEFT.

The secure electronic payments gateway is an online interface between contractors and Debit Card/ Credit Card / online payment authorization networks.

- 8.2 The bidders shall **upload** their technical offer containing documents, qualifying criteria, technical specification, schedule of deliveries, and all other terms and conditions except the rates (price bid).

The bidders shall **quote** the prices in price bid format.

NOTE:-

- (A) If bidder fails to complete the Online Bid Preparation & Submission stage on the stipulated date and time, his/hers bid will be considered as bid not submitted, and hence not appear during tender opening stage.
- (B) Bidders participating in online tenders shall check the validity of his/her Digital Signature Certificate before participating in the online Tenders at the portal <https://haryanaeprocurement.gov.in>.
- (C) For help manual please refer to the 'Home Page' of the eProcurement website at <https://haryanaeprocurement.gov.in>, and click on the available link 'How to ...?' to download the file.

Guideline for Online Payments in e-tendering

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing). Bidder shall proceed to select the tender he is interested in. On the respective Department's page in the e-tendering portal, the Bidder would have following options to make payment for tender document & EMD:

- A. Debit Card/ Credit Card
- B. Net Banking
- C. RTGS/NEFT

Operative Procedures for Bidder Payments

A) Debit Card/ Credit Card

The procedure for paying through Debit Card/ Credit Card will be as follows.

- (i) Bidder selects Debit Card/ Credit Card option in e-Procurement portal.

- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
- (iii) Bidder clicks on “Continue” button
- (iv) The e-Procurement portal takes the bidder to Debit Card/ Credit Card payment gateway screen.
- (v) Bidder enters card credentials and confirms payment.
- (vi) The gateway verifies the credentials and confirms with “successful” or “failure” message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal
- (viii) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
- (ix) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

B) Net Banking

The procedure for paying through Net Banking will be as follows.

- (i) Bidder selects Net Banking option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on “Continue” button.
- (iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks
- (v) Bidder chooses his / her Bank
- (vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with “successful” or “failure” message to the Net Banking gateway which is confirmed back to e-Procurement portal.
- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
- (xi) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

C) RTGS/ NEFT

The bidder shall have the option to make the EMD payment via RTGS/ NEFT. Using this module, bidder would be able to pay from their existing Bank account through RTGS/NEFT. This would offer a wide reach for more than 90,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

- I. Bidder shall log into the client e-procurement portal using user id and password as per existing process and selects the RTGS/NEFT payment option.
- ii. Upon doing so, the e-procurement portal shall generate a pre-filled challan. The challan will have all the details that is required by the bidder to make RTGS-NEFT payment.
- iii. Each challan shall therefore include the following details that will be pre-populated:
 - Beneficiary account no: (unique alphanumeric code for e-tendering)
 - Beneficiary IFSC Code:
 - Amount:
 - Beneficiary bank branch:
 - Beneficiary name:
- iv. The Bidder shall be required to take a print of this challan and make the RTGS/NEFT on the basis of the details printed on the challan.
- v. The bidder would remit the funds at least T + 1 day (Transaction + One day) in advance to the last day and make the payment via RTGS / NEFT to the beneficiary account number as mentioned in the challan.
- vi. Post making the payment, the bidder would login to the e-Tendering portal and go to the payment page. On clicking the RTGS / NEFT mode of payment, there would be a link for real time validation. On clicking the same, system would do auto validation of the payment made.

SECTION - II

**INSTRUCTIONS TO BIDDERS
ON
ELIGIBILITY CRITERIA
AND
SUBMISSION OF BID**

INSTRUCTIONS TO BIDDERS ON ELIGIBILITY CRITERIA AND SUBMISSION OF BID

1. INTRODUCTION :

- 1.1. Bid for arranging the rate contract supply, installation & commissioning of tentative 50,000 nos. of 150W Solar Home System (DC Model) with an estimated cost of Rs. 11500.00 lacs at various locations in the state of Haryana. The detailed bid document can be viewed on <https://haryanaeprocurement.gov.in> and downloaded from the web-site, <https://haryanaeprocurement.gov.in>.
- 1.2. The estimated average value per unit is Rs. 23,000/-.
- 1.3. The Bidder is advised to read carefully all instructions and conditions appearing in Bid document and understand the scope of work fully. All information and documents required as per the Bid document must be furnished with bid. Failure to provide the information and/or documents as required shall render the bid unacceptable for evaluation of technical bid. All bidders qualifying technical stage shall be treated at par. Financial Bid of bidder qualifying at technical stage only shall be opened.
- 1.4. Bidder shall be deemed to have examined the Bid document, to have obtained information in all matters whatsoever that might affect the carrying out of the works in line with the scope of work specified in the Bid document at the bid price and to have satisfied himself of the sufficiency of his bid. The Bidder shall be deemed to know the scope, nature and magnitude of the works and requirement of materials, equipment, tools and labour involved, wage structures and as to what all works Successful Bidder shall have to complete in accordance with the Bid Document irrespective of any defects, omissions or errors that may be found in Bid document.
- 1.5. Bidders having been blacklisted by HAREDA or by any State Govt. / PSU, for whatever reasons, shall not be eligible/ allowed to participate in this Bid.

2. BID DETAILS:

- 2.1. The bidding process is for arranging the rate contract for tentative 50,000 nos. of 150W Solar Home System (DC Model) at various locations in the state of Haryana, India. However, total nos./ capacity as indicated above may go up to 1.5 times of indented nos./ capacity, if required. Successful bidders will have to unconditionally agree to the additional quantum beyond the indented nos./ capacity under the same terms and conditions.
- 2.2. Maximum Three Technically Qualified Bidder having lowest Financial Bid would be preferred for selection.

3. INSTRUCTIONS TO THE BIDDER:

- 3.1. Bidder must meet the eligibility criteria independently as a company. Consortium of Companies is not allowed in any form. Bidder will be declared as a Technically Qualified Bidder based on meeting the eligibility criteria and as demonstrated based on documentary evidence submitted by the Bidder in the Bid.
- 3.2. The Successful Bidder shall be required to establish at least one Service Centre in Haryana.
- 3.3. Bid Document can also be viewed from Nodal Agency's (HAREDA) website **www.hareda.gov.in**.
- 3.4. The Bidders shall have to submit their bid and other required relevant documents/ certificates, if any; online only, as per time schedule (Key dates). Bid other than online will not be accepted by the Nodal Agency.

4. ELIGIBILITY CRITERIA FOR THE BIDDER:

4.1 GENERAL:

- a. The Bidder should be either a body incorporated in India under the Companies Act, 1956 or 2013 including any amendment thereto and engaged in the business of Solar Power for minimum three years. A copy of certificate of incorporation shall be furnished along with the bid in support of above.
- b. The minimum quantity/ capacity to be quoted by the bidder must be at least 20% of the DNIT. Offer quoted quantity/ capacity less than 20% of the DNIT will not be considered and it will not be further evaluated.
- c. Bidder should be a registered manufacturer of at least one major component to be deployed in the system/ project i.e. Solar PV Module or Battery or Charge Controller/ Balance of System (BOS) or system integrator.

(Bidder should have to submit the test report of the tendered Model of the system in their name, prior to the opening of the financial bid. However, the firm has to upload the acknowledgement receipt, of the sample submitted for testing of the tendered Model of the system, of a MNRE/NABL/IEC accredited testing centre for testing of Solar Home System at the time of online bidding)

Note: Bid without valid test report/acknowledgement of sample submitted from MNRE accredited Test lab/NABL/IEC accredited laboratory will be rejected out rightly. Bidder shall also submit the accreditation certificate of test laboratory approved by NABL for testing of Solar Home System

- d. For the components which are not manufactured by the bidder, bidder will submit tie up certificate along with valid test report of the component issued by MNRE accredited /NABL/IEC accredited test lab from the original manufacturer of the component/ item.

- e. Test Certificate(s) should have been issued on or after 01.04.2013.
- f. Bidder should have not been debarred/blacklisted by any Govt. Deptt's / organization/ PSU's / institutions/ agencies/ autonomous Organizations. If any bidder provides false information regarding debarred / blacklisted or conceals the facts in this regard, Nodal agency reserves the right to forfeit both EMD & Performance Bank Guarantee of the bidder.
- g. The Bidder should have valid CST / State VAT/ TIN registration certificate in the state. A copy of which should be enclosed.
- h. The Bidder should have valid Service Tax Registration Certificate. A copy of which should be enclosed.
- i. If awarded contract, bidder will need to establish at least one Service Centre in the state of Haryana before supply and inform the details. Till then, an undertaking to be given by the bidder.

Date of opening of tender

- (ii) The tenderer should specifically state that the sample submitted conforms to the specification laid down in schedule to the tender and is as per the sample tested/submitted for testing.
- (iii) Samples should be delivered to the Sample In-charge in the office i.e. Directorate of New & Renewable Energy, Haryana, Akshay Urja Bhawan, Institutional Plot No. 1, Sector-17, Panchkula. Samples sent "Freight to pay" or sent through "G/R-R/R" will not be accepted.
- (iv) Samples must be deposited with the Sample In-charge of the Directorate before the due date and time.
- (v) Samples should be collected by the tenderer from the date of notice issued to them by the Director, HAREDA failing which the samples will become the property of the Government and will be disposed of by public auction and the sale proceeds will be deposited in the Government account and no claim shall be entertained thereafter. Loss of samples, damage, wear and tear or injury on account of testing, exposure, experiment etc. shall not constitute the ground for claiming any compensation from the Government.
- (vi) The approved sample of the successful bidder shall be returned to the contractor after satisfactorily completion of work.

10. SECURITY DEPOSIT / PERFORMANCE SECURITY DEPOSIT

- 10.1 The successful supplier shall deposit Security Deposit (SD) equivalent to **5% of the work order value within 15 days** from the date of issue of the work order. The EMD of such successful bidders shall be released on submission of SD in the shape of DD or Bank guarantee valid for a period of five year & six months. After the successful completion of the work order, the SD shall be treated as Performance Security Deposit (PSD) & shall be released on successful completion of the warrantee period of five years from the date of commissioning of the project. If required, the validity of the SD/PSD will be extended by the firm failing which it will be en-cashed.
- 10.2 The Performance Security shall be denominated in the currency of the Country, and shall be in one of the following forms:
- a. A Bank guarantee, issued by a Nationalized/ Commercial bank located in the purchaser's country, acceptable to the Purchaser, in the form provided in the Bidding Documents ; or
 - b. Demand Draft in favour of Director, HAREDA or indenting organisation, payable at Panchkula.
- 10.3 If the successful bidder fails to deposit security deposit within 15 days of issue & receipt of the work order, HAREDA or indenting organisation reserves the right to forfeit EMD of the supplier & cancel the work order.

Note:

Concession in performance security deposit ((as per GO No. 2/2/2016-4IBII (2) dated 20.10.2016:-

Sr. No.	Type of Firm/Enterprises	Value of Performance Security Deposit
1.	Haryana based firms:- #Haryana based Micro and Small Enterprises (MSEs)	@ 0.2% of the order value or estimated value of Rate Contract (where maximum value of rate contract (RC) is indicated, it will be on the basis of

	Haryana based other firms/enterprises	the same) @ 2% of the order value or estimated value of Rate Contract (where maximum value of rate contract (RC) is indicated, it will be on the basis of the same)
2.	Other States/UTs based firms	@ 5% of the order value or estimated value of Rate Contract (where maximum value of rate contract (RC) is indicated, it will be on the basis of the same)

#Haryana based MSEs will be eligible for performance security deposit @ 0.2% who have filed Entrepreneurs Memorandum (Micro or Small Enterprise Category) in the Industries Department, Haryana and who participate directly in the tendered/quoted items and offering to supply the entire quoted quantity manufactured from their own Haryana based unit.

11. PERIOD OF VALIDITY OF BIDS

11.1 Bid shall remain valid for the period of 120 days from the date of opening of Financial Bid. If required, Nodal Agency may request to bidder(s) to extend the validity.

12. COST OF BIDDING

12.1 The Bidder shall bear all the costs associated with the preparation and submission of his offer and Nodal Agency will in no case be responsible or liable for those costs, under any conditions. The Bidder shall not be entitled to claim any costs, charges and expenses of and incidental to or incurred by him through or in connection with submission of Bid even though Nodal Agency may elect to modify/withdraw the invitation of Bid.

13. SUBMISSION OF BIDS

13.1 Preparation of Bids:

- a. The bidder shall upload the bids as per formats on or before the date and time notified in this document/ NIT.
- b. Single Bid System shall be followed and Bids shall be prepared in two parts

Part - I: TECHNICAL BID (Furnish in PERFORMA-I with all relevant documents).

Part-II: FINANCIAL BID (Furnish in PERFORMA-II (A) & PERFORMA-II(B))

- c. **It should be clearly noted that Part –I should not contain any price bid.**
- d. Part-I containing technical bid will be opened at the time & date notified for opening. If any bidder indicates the price in Part-I, the bid would stand rejected. Bids not accompanied by Earnest Money Deposit, Tender Fee and e-service charges will be treated as out rightly rejected.

Part II containing Prices will not be opened at the time of opening Part-I. Price bid of only technically qualified bidders will be opened on a separate date and time. Date and time of Price bid opening will be uploaded on the HAREDA web site and will also be intimated to qualified bidder by suitable means.

14. DEADLINE FOR SUBMISSION OF BIDS

- 14.1 Bids will be submitted through e-tendering process online on time and date as mentioned in NIT.

15. CLARIFICATION OF BIDS

- 15.1 During evaluation of the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

16. AMENDMENT OF BIDDING DOCUMENTS:

- 16.1 At any time prior to the deadline for submission of bids, the purchaser may, for any reason, whether at its own initiative or in response to a clarification required by a prospective Bidder, modify the Bidding Documents by amendment.
- 16.2 The amendment will be notified in writing and will be uploaded on the e-procurement web portal and the web portal of the HAREDA www.hareda.gov.in. It will be binding to the all bidders participating in the bid.
- 16.3 In order to afford prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the purchaser may, at its discretion, extend the deadline for the submission of bids. It will also be notified in writing on e-procurement web portal and the web portal of the HAREDA www.hareda.gov.in. Prospective bidders are advised to update themselves with the above web portal of e-procurement.
- 16.4 HAREDA reserves the right at the time of awarding the contract to increase or decrease the quantity of goods and locations of supply without any change in price or other terms and conditions.

17. OTHER TERMS AND CONDITIONS

- 17.1 The offer shall be submitted online only. No tender will be accepted in physical form.
- 17.2 Before submission of online bids, the bidder must ensure that clearly readable scanned copies of all the necessary documents have been uploaded with the bid.
- 17.3 Nodal Agency will not be responsible for any delay in online submission of bids due to any reason whatsoever.
- 17.4 The price quoted should be FOR anywhere in the State of Haryana inclusive of all taxes and duties, custom duty, excise duty, service tax, sales tax, C.S.T., local taxes, Trade Tax/VAT, Income Tax, Surcharge on income tax etc. if any, including 5 years warranty (or as notified in the bid) of the complete system. A supplier/ contractor shall be entirely responsible for all taxes, duties, license fees, etc. All taxes payable as per Government income tax & service tax norms will be payable by the contractor. If

any new tax/duty is levied during the contract period the same will be borne by the firm exclusively. TDS will be deducted from the payment of the contractor as per the prevalent laws and rules of Government of India and Government of Haryana state in this regard.

- 17.5 **Material shall be strictly as per DNIT specifications. If there is any left out specification, the same shall be considered as per the latest specifications applicable as per MNRE/ BIS/International Standards.**
- 17.6 The make of major parts of system i.e battery, module, charge controller, fan and LED lamps/tube light should be strictly as per the make mentioned in the test reports and accordingly, the same be mentioned in the technical bid.
- 17.7 In case of any ambiguity in interpretation of any of the clauses/ provision of the said rate contract/DNIT, the decision of the Director, HAREDA shall be final and binding.
- 17.8 It shall be the sole responsibility of the contractor to get verified the quality & quantity of the supplied material at the site of delivery.
- 17.9 The Contractor shall indemnify the HAREDA against all third party claims of Infringement of patent, royalty's trademark or industrial design rights arising from use to the goods or any part thereof.
- 17.10 Contractors, wherever applicable, shall after proper painting, pack and crate all the equipment in such manner as to protect them from deterioration and damage during rail and road transportation to the site and storage at the site till time of installation. Contractor shall be held responsible for all damage due to improper packing.
- 17.11 All demurrage, wharf age and other expenses incurred due to delayed clearance of the material or any other reason shall be to the account of the contractor.
- 17.12 The goods supplied under the contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, shall be included in the bid price.
- 17.13 HAREDA may at any time terminate the contract by giving written notice to the contractor, without compensation to the contractor, if it becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the HAREDA.
- 17.14 HAREDA, may by written notice to the supplier, terminate the contract, in whole or in part, at any time for its convenience.
- 17.15 To assist in the examination, evaluation and comparison of bids the HAREDA may at its discretion ask the bidder for a clarification of its bid. The request for clarification and the response shall be in writing.
- 17.16 At any time prior to the submission of the tender or prior to the opening of the financial bid the HAREDA may, for any reason, whether at its own initiative or in response to a clarification requested by the Bidder, modify the Tender documents by amendments.

- 17.17 Any material /instrument required to complete /successful running of the project which is not mentioned in the DNIT will be provided by the bidder in the quoted rates only and no additional payment shall be made.
- 17.18 Not more than one tender should be submitted by one contractor or by a firm of contractors for the same work.
- 17.19 Under no circumstances will a father or his son or their close relation or the partner of one firm be allowed to tender as separate tender. A breach of this condition will cause the tenders of such parties liable for rejection and forfeiture of their earnest money.

The firm (s) tendering shall clearly mention in their tender whether any of the close/near relative of their management is in the employment of the HAREDA/Department of New & Renewable Energy, Haryana and in case their close/near relative is in employment of the HAREDA/Department of New & Renewable Energy, Haryana then his/her name, designation and place of posting to be mentioned.

If the tendering firm do not disclose and furnish the correct information as required in above clause, then his earnest money may be forfeited and in case the contractor has been awarded the work, the same may be cancelled.

Note:

The word "Close/ Near Relative" mentioned in the above clause means father, mother, brother, sister, brother-in-law, sister-in-law, daughter-in-law, daughter, father-in-law and mother-in-law, son-in-law, first cousin of self, wife, father-in-law and mother-in-law of son & daughter.

- 17.20 Income Tax/Cess will be deducted at source from contractor' bills/dues in accordance with latest Govt. orders from time to time. The contractor will have no objection to this effect.
- 17.21 The manufacturer shall supply all technical literature and drawing considered necessary for the installation, operation and maintenance of the equipment and its fittings.
- 17.22 The manufacturer should issue excise gate pass for the products sold alongwith supply documents so that sale of product can be independently verified, where applicable.
- 17.23 EMD is liable to be forfeited in case of evidence of cartel formation by the bidder(s). Further, in case where cartel formation amongst the manufacturers-suppliers is apparent, complaint shall be filed with the Competition Commission of India and/or other appropriate forum.
- 17.24 HAREDA reserve the rights to verify the claimed capacity of the bidder, at any stage, from their own or through a third party. Bidder/successful supplier will have to extend all cooperation. If the claim of the bidder is found negative, then HAREDA may consider reject/cancel the bid/contract.
- 17.25 Supplier shall issue the bill of the material at the time of supply of the material at site as per prevailing rules.

SECTION-III

**BID OPENING,
EVALUATION, AWARD OF
RATE CONTRACT
AND
PLACING OF WORK
ORDER**

BID OPENING, EVALUATION, AWARD OF RATE CONTRACT AND PLACING OF WORK ORDER

1. BID OPENING AND EVALUATION

- 1.1 The Purchaser will open the Technical Part of E-bids in the presence of Bidders representatives who choose to attend, at the time, on the date, and at the place specified in DNIT. The bidder's representative who will be present shall sign a register evidencing their attendance.
- 1.2 The technical bids shall be evaluated & compared by the purchaser which has been determined to be substantially responsive in line with the requirements mentioned in the DNIT.
- 1.3 The bidders whose technical bids are declared as technically qualified shall be informed accordingly and their Price Bids shall be opened.

2. CONTACTING THE PURCHASER

- 2.1. From the time of bid opening to the time of contract award, if any bidder wishes to contact the purchaser on any matter related to the bid, it should do so in writing.
- 2.2 Any effort by a Bidder to influence the Purchaser in its decision on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.

3. PROCEDURE FOR FINALIZATION /AWARD OF RATE CONTRACT AND PLACING WORK ORDERS THEREAFTER:

- (a) First the online Technical Bid shall be opened on **31.03.2017 at 4:00 PM in the Conference Hall of Akshay Urja Bhawan at Institutional Plot No. 1, Sector-17, Panchkula.**
- (b) Then Price part of only those tenderers, whose offer found technically and commercially acceptable after evaluation will be opened in the presence of tenderers or their authorized representative who chose to attend the meeting. The date to open the price part will be informed separately.
- (c) Thereafter, the status of the bidders i.e. L-1, L-2, L-3 so on shall be determined by giving purchase preference as mentioned in Clause no. 4 below to the bidder billing from Haryana State.
- (d) Thereafter, the agenda shall be placed before the Competent Authority/High Powered Purchase Committee for negotiation and finalization of rate. The number of supplier parties on the rate contract should generally be restricted to three in each group subject to case to case basis.
- (e) In accordance with the policy / guidelines on procurement of stores issued by Department of Industries & Commerce, Haryana vide GO No. 2/2/2010-4-IB-II dated

18.06.2013, the price discovery for the rate contract shall be generally determined based on the rates quoted by the L1 bidder and the negotiations, if any, held with the lowest bidder. However, the rate contract negotiations could be held up to L3 bidder, if the difference between the L1 quoted rates and those quoted by the L2 and L3 is within 5% of the L1 quoted rates. In cases where the L1 bidder refuses to further reduce his offered price and the L2 or L3 bidders come forward to offer a price which is better than the price offered by L1 bidder, the bidder whose price is accepted becomes the L1 bidder. However, in such a situation, the original L1 bidder shall be given one more opportunity to match the discovered price. In case of acceptance, he would be treated as the L1 bidder.

On determination of the price discovery pursuant to the above process, a counter-offer would be made to all such eligible bidder whose quoted price is within 10% of the L1 quoted price, for acceptance of the discovered/offered price. Such of the eligible bidders whose quoted price exceeds 10% of the L1 quoted price shall not be eligible for consideration on the Rate contract.

The bidders agreeing to accept the counter-offer of the discovered price following the above process, may be approved on the Rate contract.

- (f) The other terms and conditions shall be governed by policy / guidelines on procurement of stores issued by Department of Industries & Commerce, Haryana vide GO No. 2/2/2010-4 I BII dated 28 May 2010 and subsequent policy decision/guidelines/amendment issued by Department of Industries & Commerce, Haryana. These guidelines are available on the State Govt. website i.e. www.haryana.gov.in/dsndharyana.gov.in. Some of the latest instructions issued vide GO No. 2/2/2010-4-IB-II dated 16.06.2014, for rate contract are as follows:
- (i) In cases where there is only one bidder for a particular item and the price quoted by such L1 bidder is accepted by the indenting department as being reasonable the order for the entire quantity qua such item could be placed on such bidder:
 - (ii) In cases where only two bidding firms are approved, the allocation of quantity of the order may go up to 70% in favour of the L1 bidder subject to the information available in the DNIT viz. his offered capacity/capacity to produce/manufacture, orders/commitments in hand and previous track record:
 - (i) In case, more than two firms are approved, the L1 bidder, whose finally discovered price becomes the basis for making counter-offer to other qualifying bidders, would be accorded priority for allocation of share of quantities, which may go up to 50% of the total estimated quantity of the Rate Contract subject to his offered quantity, capacity to produce/manufacture, orders/commitments in hand and previous track record:
 - (ii) In cases where there are more than one bidders consenting to accept the L1 discovered price in response to the counter-offer, the quantities shall be allocated by the HPPC among L2 & above approved bidders, as the case may be, based on the principles of (i) L2/L3 position (viz L2 bidder shall be preferred over L3 bidder & so on) (ii) offered quantity, (iii) capacity to supply, (iv) Sales turnover, (v) orders in hand, and (vi) previous track record in execution of orders (as per the information available in the DNIT).
 - (iii) It may not be necessary to make a counter-offer of the discovered price to all the bidders quoting within 10% of the L1 quoted rates. Instead, such counter-offer may be

restricted up-to L3 if they have the capacity to meet the entire order. However, if the L2 or L3 bidders do not accept the counter offered rates or do not have the capacity to supply, the counter offer in that case could also be extended to other bidders whose quoted rates are within 10% price range.

4. PURCHASE PREFERENCE

- A. Concession/benefits to Micro & Small Enterprises (MSEs) as per GO No. 2/2/2016-4IBII (1) dated 20.10.2016.**
- B. Concession/benefits to Medium Enterprises as per GO No. 2/2/2016-4IBII (1) dated 20.10.2016**
- C. Procurement from Approved Source (GO No. 2/2/2010-4 I BII dated 28 May 2010)**

Purchase preference shall be accorded to the approved sources, including Central or Haryana State Public Sector Undertaking/Enterprises, provided that such approved source take part in the bidding process and the quoted prices of the approved source is within 10% of the lowest acceptable price, other things being equal. However, such purchase preference would be available to the approved source only at the lowest acceptable price.

5. SIGNING OF CONTRACT

- 5.1 At the time as the Purchaser notifies the successful Bidder that its bid has been accepted, the Purchaser will send to the Bidder the work order / Rate Contract.
- 5.2 Within Seven (07) days from the date of issue of work order, the successful Bidder shall acknowledge the receipt of the work order / Rate Contract through e-mail, fax (duly signed copies of the work order/RC) followed by signed hard copy of it by post to the indenting officer. The signing of the work order/ Rate Contract shall evidence the final acceptance of all terms and conditions and their due compliance by the successful bidder.

SECTION - IV

SCOPE OF WORK AND TERMS & CONDITIONS OF THE CONTRACT

SCOPE OF WORK AND TERMS & CONDITIONS OF THE CONTRACT

1. DETAILS OF WORKS:

Design, manufacture, supply, installation, testing and commissioning of 150W Solar Home System (DC Model) as per DNIT specifications and warranty for five years of the complete system from the date of successful Commissioning.

2. THE SCOPE OF WORK SHALL ALSO INCLUDE THE FOLLOWINGS:

2.1 Detailed planning of time bound smooth execution of Project;

2.2 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

2.3 Supplier shall be responsible for delivering all the equipment at site under his own arrangement within the stipulated time frame.

2.4 The goods supplied under the contract shall be fully insured against loss or damage incidental to manufacture of acquisition, transportation, storage at site and delivery to site during the construction period by the supplier at his own cost.

2.5 Comprehensive O&M of the Project for five year to assure faultless operation, and inventory maintenance;

2.6 After sales service through service center/s;

2.7 Coverage of risk liability of all personnel associated with implementation and realization of the Project;

2.8 The successful bidder shall train the user about the day to day care and maintenance of the system.

2.9 The Successful Bidder shall maintain sufficient inventory of the spare parts to ensure that the Project is functional during the period of warranty period.

2.10 Comprehensive O &M of the Project at every location, from the date of the Commissioning of Project has to be carried out by the Successful Bidder. Comprehensive O &M of the Project shall be for the five (5) years from the date of Commissioning.

2.11 Performance or supervision of the on-site assembly and/or start-up of the supplied Goods;

2.12 Furnishing of tools required for assembly and/or maintenance of the supplied Goods;

2.13 Furnishing of detailed operations and maintenance manual for each appropriate unit of supplied Goods;

2.14 Performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and

3. TIME SCHEDULE, PENALTY/LIQUIDATED DAMAGES

- a. The ordered system/s are allowed to be got **inspected, supplied, installed and commissioned** within **three (03) months** time from the date of issue of work order during which following milestones should be achieved by the firm for execution of the project:

Sr.No.	Description	Time Required
1.	Award of contract/ issue of work order	Say X date
2.	Acknowledge the receipt of the work order	X+ 7days
3.	Submission of Security Deposit / Performance Bank Guarantee	X + 15 days
4.	Pre-dispatch Inspection by Purchaser	X + 60 days
5.	Progressive deliveries of complete material, erection, tastings and Commissioning etc.	X + 90 days

Note: In case, where name of beneficiary not provided with work order, for Solar Home light (Manohar Jyoti), list of beneficiaries will be provided by the HAREDA or/ by PO/APO of the district to the supplier at the time of receipt of material or at the time of pre-dispatch inspection.

- b. The time for and date of delivery (includes supply, installation & commissioning) stipulated in the work order shall be deemed to be the essence of the contract, and should the contractor fail to deliver / complete the work (includes supply, installation & commissioning) within the period prescribed for such delivery, penalty @ **2% of the work value per month** subject to max. of 10% of the work order value is recoverable. Once the maximum is reached, the “HAREDA” may consider termination of the contract. For the purpose of calculation of penalty, month will be considered of 30 days and the week of 7 days. In case of non-payment by the contractor, recovery will be made from his bills or amount of Earnest money or security deposited with Director, HAREDA, provide also that :
- (i) No recovery of penalty will be made if the Director, HAREDA accepts the delayed supplies by extending the delivery period by recording in writing that the exceptional circumstances were beyond the control of the supplier and there was no loss to the Government on written request by the supplier, with proper documentation establishing the reasons that the delay were beyond the control of the supplier, before the expiry of the allowed time. Requests for extension received after the expiry of the allowed timeline shall not be entertained and shall be subject to penalty.
- (ii) On the failure of the supplier/s to make supply within the extended period or otherwise and the receipt of such information in the office of the Director, HAREDA, risk purchase at the cost of the supplier will be made by the Director, HAREDA after the maximum penalty is reached by obtaining consent from the L2, L3 bidders or approved supplier/s or approved RC holder of DGS&D, GOI or any State empanelled supplier or by inviting short terms quotations from the Registered and other known suppliers within next two months. The difference of excess cost thus, incurred will be recovered from the supplier from his pending bills, earnest money or security whichever is available. This procedure

will be adopted after serving a registered notice to the supplier to supply stores within 15 days.

- c. The Contractor shall not;
 - (i) Without the consent in writing of HAREDA transfer, assign or sublet the work under this contract or any substantial part thereof to any other party. HAREDA shall have at all reasonable time, access to the works being carried out by the contractor under this contract. All the work shall be carried out by the contractor to the satisfaction of HAREDA.
 - (ii) Disclose details of the conditions governing this contract to unauthorized persons (Indenting against this contract is permissible only for the bonafide use of Governments departments and quasi public and not for private parties or for the private use of the Government officers).
- d. In the event of the contractor failing duly and properly to fulfill or committing breach of any of the terms and conditions of the tender or repeatedly supplying goods liable to rejection hereunder or failing, declining, neglecting/ or delaying to comply with any demand or requisition or otherwise not executing the same in accordance with the terms of this tender, or if the bidder or his agents or servants being guilty of fraud in respect of the contract or any other contract entered into by the contractor or any of his partners or representatives thereof with Government directing, giving, promising or offering any bribes, gratuity, gift, loan, perquisite, reward or advantage pecuniary or otherwise to any person in the employment of Government in any way relating to such officers or person of persons, office or employment or if the contractor or any of his partners become insolvent or apply for relief as insolvent debtor or commence any insolvency proceedings or make any composition with his/ their creditors or attempts to do so then without prejudice to Government rights and remedies otherwise, HAREDA/ Government shall be entitled to terminate this contract forthwith and to **blacklist the contractor** for a period as deemed fit by the competent authority and purchase or procure or arrange from Government's stocks or otherwise at the contractor's risk and at the absolute discretion of the Director, HAREDA as regards the manner, place or time of such purchases, such supplies as have not been supplied or have been rejected under this agreement or are required subsequently by Government there under and in cases where issues in replacement are made from Government's stocks or supplies, the cost of value of stocks or supplies together with all incidental charges or expenses, shall be recoverable from the contractor on demand and the contractor shall not be entitled to benefit from any profit which may accrue to Government.
- e. The supplies, if any, made beyond the time limit for completion of the project defined in the work order will require prior approval of the Director, HAREDA, even the same are with penalty, means the supplier has no right to deliver the material with applicable penalty clause without written concurrence of Director, HAREDA. If any supplies fall under the warranty clause then the supplier has to obtain written permission from the Director, HAREDA, through a request letter at least seven days before the expiry of delivery period with the reason of delay.

4. FORCE MAJEURE

- (i) Notwithstanding the provisions of clauses contained in this deed; the contractor shall not be liable for forfeiture of its performance security, liquidated damages, termination for default, if he is unable to fulfill his obligation under this deed due to event of force majeure circumstances.
- (ii) For purpose of this clause, "Force majeure" means an event beyond the control of the contractor and not involving the contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of God either in its sovereign or

contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and fright embargoes.

- (iii) Obstruction in procurement of components /raw material by the firm from the manufacturers with whom they have tied up for execution of the projects under this tender shall not be covered under force majeure condition. The bidders are advised to make suitable arrangements for supply of parts and components for implementation of the tendered projects within allowed timeframe.
- (iv) However, if a force majeure situation arises, the contractor shall immediately notify the "HAREDA" in writing. The decision of the Director General, HAREDA, in above conditions, shall be final.

5. INSPECTION & COMMISSIONING

- (i) The HAREDA through its duly authorized representative(s) shall have at all reasonable times access to the contractor/ bidders premises or works and shall have the power at all reasonable time to inspect and examine the materials and workmanship of the works during its manufacture, supply, installation etc.
- (ii) The contractor/ bidder are required to get the entire lot of the ordered material inspected at one time, before the supply of the materials. In case the contractor/ bidder fails to get the entire lot inspected at one time, the total expenses of the further inspection will be borne by the supplier/contractor/ bidder.
- (iii) HAREDA will bear the inspector's cost at only one manufacturing plant. If a component is produced in more than one location, then the cost of positioning the inspection in the second and subsequent plants would be borne by the successful Bidder at their cost.
- (iv) The inspection by HAREDA and issue of dispatch instruction thereof shall in no way limit the liabilities and responsibilities of the contractor/ bidder in respect of the agreed quality assurance forming a part of the contract.
- (v) After receipt of call for inspection, the material shall be inspected by the Director, HAREDA or indenting organisation or a committee authorized by her/him at firms premises or in exceptional cases at site and material shall be dispatched/erected after acceptance of the same by the Inspection Committee.
- (vi) The Supplier shall offer inspection **with 15 Days notice within 60 days of placement of work order with firm date and thereafter, should complete the project within the allowed time.** To illustrate it further, if the last date of supply is 31st March & supplier sends the inspection call on 30th March for inspection on 31st March, the inspection date shall be considered as 15th April (15 days notice) & period from 1st April to 14th April shall be under penalty clause.
- (vii) If the proposal for pre-dispatch inspection is received within defined & valid time period in the office of Director, HAREDA or indenting organisation from the supplier and inspection is not carried out by the HAREDA due to any reasons within 15 days of receipt of such letter, the time period for supply, installation & commissioning will be extended equivalent to delayed period, from the next day of expiry of these 15 days till the date of actual inspection and no penalty will be imposed for this extended period.

- (viii) In case the material offered for inspection fails to meet the specifications stipulated in DNIT /Order /Contract and the material is rejected by the Inspecting Committee or complete material is not available for inspection, HAREDA or indenting organisation will levy a penalty at 0.1% of the order value. In case the material offered for inspection fails during the 2nd inspection also, the Indenting Department will have the right to increase the penalty to 0.25% of the order value. In case, the material offered fails during the 3rd and final inspection also, the firm will be liable for penal action including forfeiture of EMD/PSD, risk purchase, debarring/blacklisting in future, and no further opportunity for inspection will be provided to the supplier firm.
- (ix) The proposal for inspection received complete in all respect shall be processed by the dealing officer within seven (7) days of receipt of the same by him/her, failing which he/she will be liable to explain the reason for delay.
- (x) The firm will print the words ‘**PROMOTED BY HAREDA & YEAR _____**’ on the body of the Systems in a permanent manner so as to minimize any possible malpractices.
- (xi) The inspection report should be submitted to HAREDA or indenting organisation within seven days from the date of inspection either by hand or by e-mail/fax. Similarly, the commissioning report should be submitted to the concerned district office and an advance copy to HAREDA or indenting organisation **within seven days** from the date of commissioning either by hand and by e-mail/fax failing which the commissioning date shall be considered seven days prior to the date of submission of the report in HAREDA or indenting organisation and the period of late submission of JCR shall be counted towards delay. The district office after verification will issue the JCR or shall report any discrepancy to the supplier with a copy to HAREDA or indenting organisation within seven days. In case of discrepancy in the system commissioned, the commissioning date shall be counted from the date when the discrepancy has been removed to the entire satisfaction of District Office & User/HAREDA/ indenting organisation.
- (xii) The installation work shall be carried out under the close supervision of the Project Officer/Asstt. Project Officer of the district & the user. The final inspection after installation and commissioning shall be carried out by district office and user. The supplier should plan his activities in such a way that the entire process for supply, installation and commissioning after inspection of the systems is completed within the allowed time. Therefore, it is necessary & in the interest of the supplier to get inspected the material well in advance before the stipulated delivery time so as to avoid penalty. The supplier shall provide without any extra charge, all materials, tools, testing equipments, labour and assistance of very kind which the inspecting officer may consider necessary for any test or examination. HAREDA or indenting organisation can also get the functionality of the system tested from any MNRE approved test centre/laboratory and the expenses shall be borne by the supplier. Rejected material (if any) will have to be replaced by the supplier at its costs within 15 days of issue of such notice.
- (xiii) Before the goods and equipment are taken over by the user, the supplier shall supply operation and maintenance manuals. These shall be in such details as will enable the user to operate, maintain, adjust and repair all parts of the works as stated in the specifications. The manuals shall be in the ruling language (English or Hindi). Unless and otherwise agreed, the goods and equipment shall not be considered to be completed for the purposes of taking over until such manuals have been supplied to the purchaser/user.

- (xiv) If the goods/services or any section fails to pass the Tests. The supplier may require such tests to be repeated on the same terms and conditions. All costs to which the purchaser may be put to by the repetition of the tests under this sub-clause shall be deducted from the contract price.
- (xv) The purchaser has the right to pick any sample, for random testing of any of the component of the system or complete system, at any of the stage offer for pre-dispatch inspection, erecting of material, post commissioning for any kind of laboratory testing. The expenditure on the tests will be borne by the supplier. However, for each work order of more than Rs. 100.00 lakh, during pre-dispatch, one sample of the major component/ s will be randomly selected by the inspection team for laboratory testing.
- (xvi) If the purchaser and the supplier disagree on the interpretation of the test results each shall give a statement of his views to the other within 14 days after such disagreement arises. The statement shall be accompanied by all relevant evidence. The purchaser will review both the statements and render a final decision within a further period of fourteen days which shall be binding on the supplier.

6. THIRD PARTY INSPECTION:

Third party inspection of maximum of 10% of the offered material / installed Projects may also be arranged by Nodal Agency at Bidder's cost.

7. TERMS AND CONDITION FOR PAYMENTS

- 7.1 The payments shall be made as per the following terms and conditions:
- a. **70% of the ordered value** after the supply of the complete material at site supported with pre-dispatch inspection report, list of material with complete details, excise challan, material receipt issued by user /P.O of the concerned district, bill of material and colored photographs of major components.
 - b. **Balance payment** within 30 days on submission of Joint Commissioning Report (JCR) with list of beneficiaries to the indenting organization/HAREDA. The JCR must be countersigned by the respective ADC-cum-CPO of the district.
- 7.2 Income Tax shall be deducted at source only.
- 7.3 Additionally, Successful Bidder shall have to submit to the following, if required:
- a. All the documents related to purchase of major components of the Project.
 - b. All documents, premium receipts related to insurance of components of Projects.

8. WARRANTY

- (i) The Warranty period shall be five (5) years for complete system from the date of commissioning and handing over of the system (or as per latest MNRE, GoI guidelines). The contractor shall rectify defects developed in the system within Warranty period promptly.
- (ii) During the warrantee period, the firm shall ensure proper functioning of the systems and complaint, if any, forwarded to the supplier against the system, will have to be attended within 48 hours of forwarding such complaints.

- (iii) If the firm fails to repair/replace the defective system, penalty @ 0.1% of the system cost per day (subject to maximum of 10% of the cost) after expiry of 48 hrs. period shall be imposed.
- (iv) If the whole PSD/ bank guarantee is utilized and the complaints are still pending then an online/registered notice will be sent to the firm to attend the complaint within 15 days.
- (v) If the firm still does not attend the complaint within the above mentioned period then the firm may be blacklisted and a legal proceeding may be initiated against the firm for Breach the agreement.
- (vi) The supplier shall affirm as per standards for quality that anything to be furnished shall be new, free from all defects and faults in material, workmanship and manufacture, shall be of the highest grade and consistent with established and generally accepted standards for material of the type ordered, shall be in full conformity with the specifications, drawing or samples, if any and shall if operable, operate properly.
- (vii) Performance of Equipment: In addition to the warranty as already provided, the supplier shall guarantee satisfactory performance of the equipment and shall be responsible for the period or up to the date specified in sub-clause (iii) hereof after the equipment has been accepted by the HAREDA or indenting organisation to the extent for any defects that may develop such defects shall be removed at his own cost when called upon to do so by the HAREDA or indenting organization.
- (viii) HAREDA/the consignee will have the liberty to get the sample for the item(s) supplied tested from any of the Govt. approved laboratory at any time during the installation or warranty period to ascertain the performance of the item(s) as per DNIT specifications. The cost of testing will be borne by the supplier. If during the lab test, sample fails then supplier has to repair/ replace the defective systems within 15 days of issue of such notice. If on the request of the supplier more than one samples are drawn for lab test and any one of them fail the lab test, bidder has to replace all the defective system at his own cost.
- (ix) The Contractor in consultation with concerned Project Officer will conduct training programme for users, focusing on main features, operation and maintenance of the systems. After successful supply/commissioning of the system and training, the system will be handed over to the person designated by the end user.
- (x) The Contractor/supplier shall continue to provide spare parts for 2 years after the expiry of warranty period at the users cost. If the contractor fails to continue to supply spare parts and services to users then HAREDA shall take appropriate action against the firm which can be to ban the supplier for participating in future tenders of the HAREDA.
- (xi) **Service Centers:** Each successful bidder (either from Haryana or outside Haryana) will have to establish at least four service centre one in each division besides other center if need be in the State, where a skilled technician and readily available spare parts will be made available during the entire period of Warranty/ Guarantee. The supplier will convey name & address of the outlet along with name of contact person, his/ her address, mobile number & e-mail address within 90 days of placing of the work order to the Director, HAREDA or indenting organization. The name & address

of the service outlet and contact number will be displayed on the web portal of HAREDA www.hareda.gov.in.

- (xii) Suryamitra: There is a Programme under MNRE to provide training to ITI Certificate and Diploma holders on operation and maintenance of SPV devices and systems and it is called “Suryamitra Skill Development Programme”. The successful contractor(s) may preferably engage them in their service centers to provide necessary repairs and maintenance service including installation of the systems during the time of execution.

9. RIGHT TO USE DEFECTIVE EQUIPMENT

If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the equipment proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such equipment until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser’s operation.

10. STANDARDS

The Goods supplied under this contract shall conform to the standards mentioned in the technical specifications and other sections of DNIT and when no applicable standard is mentioned then to the latest authoritative standard issued by the concerned institution appropriate to the goods, country of origin, MNRE as applicable.

11. SUSPENSION:

HAREDA or indenting organisation may by a written notice of suspension to the Firm, suspend all payments to the Firm under the contract, if the Firm fails to perform any of its obligations under this contract provided that such notice of suspension:

- i. Shall specify the nature of the failure.
- ii. Shall request the bidder to remedy such failure within a specified period from the date of receipt of such notice of suspension by the bidder.

12. COMPLIANCE TO REGULATIONS AND BYE LAWS

The contractor shall conform to the provisions of any statute relating to his workers and the work and regulations and bye-laws of any local authority and or any Central/State Deptt. or undertaking in whose jurisdiction the work connected .

13. COMPENSATION UNDER WORKMEN’S COMPENSATION ACT

The contractor shall be responsible for and shall pay any compensation to his workmen payable under the Workmen’s Compensation Act, 1923 (VIII of 1923) or any other act applicable hereinafter called the said Act for injuries caused to the workmen. The contractor shall be responsible to take a policy with an Insurance Company to cover all his workers against injuries fatal/non-fatal during course of duty against Workmen’s Compensation Act.

14. SAFETY MEASURES:

- a) The contractor shall take necessary precautions for safety of the workers and preserving their health while working in such jobs, which require special protection and precautions. The following are some of the measures listed but they are not

exhaustive and contractor shall add to and augment these precautions on his own initiative where necessary and shall comply.

- b) Supply work men with proper belts, ropes etc., when working in precarious slopes etc.
- c) Avoiding naked electrical wire etc., as they would electrocute the works.
- d) Taking necessary steps towards training the workers concerned on the machinery before they are allowed to handle them independently and taking all necessary precautions in around the areas where machines hoists and similar units are working.

15. TAXES AND DUTIES

Supplier shall be entirely responsible for all taxes, duties licence fees etc. incurred until delivery and commissioning of the contracted goods to the purchaser.

All taxes payable as per Government Income tax & service tax norms will be payable by the bidder. TDS will be deducted from the payment of the Bidder as per the prevalent Laws and rules of Government of India and the State Government.

16. INCOME/ CORPORATE TAXES IN INDIA

- 16.1 The supplier shall be liable to pay all corporate taxes and income tax that shall be levied according to the laws and regulations applicable from time to time in India and the price bid by the supplier shall include all such taxes in the contract price.
- 16.2 Wherever the laws and regulations require deduction of such taxes at the source of payment, the purchaser shall effect such deductions from the payments due to the supplier. The remittance of amounts so deduction and issuance of certificate for such deductions shall be made by the purchaser as per the laws and regulations in force. Nothing in the contract shall relieve the supplier from his responsibility to pay any tax that may be levied in India on income and profits made by the supplier in respect of this contract.
- 16.3 The suppliers staff, personnel and labour will be liable to pay personal income taxes in India in respect of such of their salaries and wages as are chargeable/ in force, and the supplier shall perform such duties in regard to such deductions thereof as may be imposed on him by such laws and regulations.

17. COMPLETENESS

The execution of the project is on turnkey basis and the contractor shall be responsible for providing all the necessary civil works, equipments, materials which is not indicated in the DNIT but required and essential for completeness and successful testing & commissioning of the project within the contract price.

18. PRICE FALL CLAUSE

- (i) The prices charged for the stores supplied under the Contract by the Contractor shall in no event exceed the lowest price at which the Contractor sells the Stores or offer to sell stores of identical description to any Department of the Central Government or any Department of a State Government or any statutory undertaking of the Central or a State Government, as the case may be, during the period till all Orders placed during the currency of Contract is completed.

If at any time during the said period, the Contractor reduces the Sale price, sells or offers to sell such stores irrespective of quantity to any person(s)/organization(s) including the Purchaser or any Statutory Undertaking of the Central or a State Government, as the case may be, at a price lower than the price chargeable under this Contract, he shall forthwith notify such reduction or Sale or offer of Sale to the Director, New & Renewable Energy Department, Haryana/HAREDA and the price payable under the Contract for the stores supplied after the date of coming into force of such reduction or sale or offer of sale stand correspondingly reduced. The above stipulation will, however, not apply to :

- (a) Export/deemed Export by the Contractor
- (b) Sale/ normal replacement.

- (ii) The Contractor shall furnish the following certificate to the Paying Authority along with each bill for payment for supplies made against the Contract.

“I/We certify that there has been no reduction in sale price of the Stores of Description identical to the Stores supplied to the Government under the contract herein and such Stores have not been offered/sold by me/us to any person(s)/organization(s) including the purchaser or any Department of Central Government or any Department of a State Government or any statutory Undertaking of the Central or State Government as the case may be up to the date of the bill of supplies against all orders placed during the currency of the Contract at a price lower than the price charged to the Government under the Contract except for quantity of Stores as mentioned at para (ii) above.

19. GRAFTS AND COMMISSIONS ETC.

Any graft, commission, gift or advantage given, promised or offered by or on behalf of the Contractor or his partner, agent, officers, director, employee or servant or any one on his or their behalf in relation to the obtaining or to the execution of this or any other Contract with the Owner, shall in addition to any criminal liability with it may incur subject the Contractor to the cancellation of this and all other Contracts and also to payment of any loss or damage to the Owner resulting from any cancellation. The owner shall then be entitled to deduct the amount so payable from any monies otherwise due to Contractor under the Contract.

20. TERMINATION FOR INSOLVENCY

HAREDA or indenting organisation may at any time terminate the contract by giving written notice to the contractor/ bidder without compensation to the contractor/ bidder, if it becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the HAREDA.

21. TERMINATION FOR CONVENIENCE

The HAREDA, may by written notice sent to the contractor/ bidder, terminate the contract, in whole or in part at any time for its convenience. The notice of termination shall specify that termination is for the purchaser's convenience in the interest of Public/ Government.

22. NOTICE:

22.1. Any notice given by one party to the other pursuant to the contract shall be sent in writing or by Email and confirmed in writing to the address specified for that purpose in the special condition of contract.

22.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

23. RIGHT TO CLAIM/ RECOVER DAMAGES

The supplier will keep the premises of the beneficiary clean during store, installation and commissioning of the system / plant. If there is any damage due to mishandling / bad workmanship, the amount equivalent to damage will be recovered from the supplier. However, if any such complaint regarding damage is received from the beneficiary, the same will first be forwarded to the supplier for redressal/ rectification.

24. ARBITRATION:

If any question, dispute or difference what so ever shall arises between HAREDA and the contractor, in the connection with this agreement except as to matters, the decisions for which have been specifically provided, either party may forthwith give to the other notice in writing of existence of such question, dispute or difference and the same shall be referred to the sole arbitration of the Principal Secretary, Govt. Haryana, New & Renewable Energy Department or a person nominated by him/her. This reference shall be governed by the Indian Arbitration Act, and the rules made there under. The award in such arbitration shall be final and binding on both the parties. Work under the agreement shall be continuing during the arbitration proceedings unless the HAREDA or the arbitrator directs otherwise.

25. JURISDICTION FOR SETTLING DISPUTES:

Where a contractor has not agreed to Sole Arbitration Clause of the Conditions of the Contract, Governing contracts the dispute/claims arising out of the contract entered into with him will be subject to the jurisdiction of Civil Court Panchkula.

SECTION- V

ADDITIONAL CONDITIONS OF CONTRACT

ADDITIONAL CONDITIONS OF CONTRACT

1. Correction of arithmetical errors

Provided that a financial bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its EMD shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (iv) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not **generally exceed fifty percent** of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.
- (v) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

3. Compliance with the Code of integrity and No Conflict of interest

Any person participating in a procurement process shall –

- (a) not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
- (b) not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- (c) not indulge in any collusion, Bid rigging or anti-competitive behaviour to impair the transparency, fairness and progress of the procurement process;
- (d) not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
- (f) not obstruct any investigation or audit of a procurement process;
- (g) disclose conflict of interest, if any; and
- (h) disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:-

The Bidder participating in a bidding process must not have a Conflict of Interest.

A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations. A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- i. have controlling partners/ shareholders in common; or
- ii. receive or have received any direct or indirect subsidy from any of them; or
- iii. have the same legal representative for purposes of the Bid; or
- iv. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- v. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder in more than one Bid; or

- vi. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the Bid; or
- vii. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the procuring entity as engineer-in-charge consultant for the contract.

TECHNICAL SPECIFICATIONS FOR

150 WATT SOLAR BASED HOME SYSTEMS (DC MODEL)

A solar home system provides a comfortable level of illumination in one or more rooms of a house. The Solar Home system consists of a PV module, control electronics, battery, and luminaire(s) and fan. There are several “D.C. Models” of 75 W, 100 W and 150 W capacities and “A.C. Models” of 200 W, 250 W and 300 Watt capacities solar home systems to be promoted by MNRE/GOI during 2015-16.

SPECIFICATION OF SOLAR POWER PACK : 150Wp (DC model)

- SPV Module (with Module Mounting Structure) :150 Wp under STC
- Battery : 12V, 120Ah - C/10 Rated ; Lead Acid
- Solar Charge Controller: 12V,15 A
- Load :
 - 2 nos. of White Light Emitting Diode (W-LED) Luminaire (max. 6.0 Watts each) for 5 Hrs. / day
 - and
 - 1 No. of White Light Emitting Diode (W-LED) tube light (max. 9.0 Watts) for 5 hrs./ day.
 - 1 no. of D.C. ceiling Fan of 48 Inch/1200 mm (25 Watts \pm 10%) for 10 Hrs. / day with solar priority and for remaining period with AC compatible provision.
 - Provision for 2 USB ports

BROAD PERFORMANCE SPECIFICATIONS

PV module	150Wp under STC (with Module Mounting Structure)
Light source	<ul style="list-style-type: none">• 2 Nos. of White Light Emitting Diode (W-LED) Luminaire (max. 6.0 Watts each). The wattage of the LED used in the luminaire should be such that the total input power consumption by the luminaire is not more than 6 W (including the LED driver consumption).• 1 No. of White Light Emitting Diode (W-LED) tube light (max. 9.0 Watts each). The wattage of the LED used in the luminaire should be such that the total input power consumption by the luminaire is not more than 9W (including the LED driver consumption).
Light Output	<ul style="list-style-type: none">• 2 nos. of 6W, LED Luminaire for 5.0 hrs per day : Minimum 32 Lux when measured from a height of 2.5 meter in an area of 2.5 meter diameter.• One 9.0 W LED tube light for 5.0 hrs per day: Minimum 44 Lux when measured from a height of 2.5 meter in an area of 2.5 meter diameter. [The light should be glaze free and should not have any shadow band. The variation in the minimum to maximum light in 4 Meter diameter area should not be more than 10 %.]

Loads in addition to the Lights	1. One 48 inch/1200 mm DC ceiling Fan (25.0 Watt \pm 10%) for 10 hrs./day with solar priority and for remaining period with AC compatible provision. 2. Provision for 2 USB ports
Battery	Tubular Positive Flooded Electrolyte Lead Acid or Tubular GEL/ VRLA,
Charge controller	The charge controller with inbuilt smart grid charger should be of MPPT type with MPPT Efficiency more than 95 %. The charge control system must have 2 separate USB ports for connecting the various loads
Electronics	Minimum 85%. efficiency
Working temperature	0 ⁰ - 45 ⁰ C

PV MODULE (S)

- I. Indigenously manufactured PV modules should be used
- II. The PV modules should be made up of crystalline silicon solar cells and must have a certificate of testing conforming to IEC 61215 Edition II / BIS 14286 from an NABL or IECQ accredited Laboratory.
- III. **The module efficiency should not be less than 14%.**
- IV. The terminal box on the module should have a provision for opening, for replacing the cable, if required.
- V. There should be a Name Plate fixed inside the module which will give:
 - a. Name of the Manufacturer or Distinctive Logo.
 - b. Model Number
 - c. Serial Number
 - d. Year of manufacture
- VI. **A distinctive serial number starting with NSM will be engraved on the frame of the module or screen printed on the tedlar sheet of the module.**

BATTERY

- I. The battery should be Lead Acid, Tubular positive plate flooded electrolyte or Gel or VRLA Type
- II. 75 % of the rated capacity of the battery should be between fully charged & load cut off conditions.
- III. Battery should conform to the latest BIS/ International standards.

LIGHT SOURCE

- I. The luminaries should use white LEDs. The colour temperature of white LEDs should be in the range of 5500° K – 6500°K. Use of LEDs which emit ultraviolet light will not be permitted.
- II. The light output from the white LED light source should be constant through-out the operation of the lights.
- III. The lamps should be housed in an assembly suitable for indoor use with an appropriate heat sink to dissipate the heat generated by LEDs during operation. The temperature of LED should not increase more than 10° above room temperature. This condition should be complied for 5 hours of operation of the lamp at a stretch while

battery operating at any voltage between the loads disconnect and the charge regulation set point.

- IV. The luminaries must use the optics and diffuser in order to have uniform and glaze free light.
- V. The make, model number, country of origin and technical characteristics (including IESNA LM-80 report) of white LEDs used in the lighting system must be furnished along with the system.
- VI. All Luminaries should have ON/OFF switch and fuse.

FAN

The ceiling fan should be 12 volt DC operated with **AC compatible provision** with following minimum requirement and the registered manufacturer of the fan should have a valid test report from any of the BIS/NABL/Govt. approved test laboratory for the same:

- i. The fan should be 12V DC operated with AC compatible provision and ceiling type of size 48 inch/1200 mm with 340 rpm at rated voltage.
- ii. Type of motor: BLDC motor
- iii. Rated voltage: 12 Volt
- iv. Operating Voltage range: 9 Volt to 15 volt
- v. Blade diameter : 48 inch/ 1200 mm
- vi. Blade: Three leaves Alluminium Powder Coated
- vii. Power consumption - 25 Watt (**±10%**)
- viii. Air delivery: > 150 CMM (cubic meter per minute)
- ix. Bearings : Two nos. ball bearings
- x. Speed : 3 Electronically controlled
- xi. Reverse polarity protection: fan should not work with reverse polarity
- xii. The motor should be tested for its insulation test, temperature rise test, reliability test and noise test as per following:

S. No.	Description	Test Requirements	Acceptance Criteria
1	Operating Voltage	from 9 V to 15 V and 15 to 9 V	The test sample must be fully functional during and after the test. There should not be any crack , fire , range deformation during after the test.
2	Power supply reverse polarity connection test	Fan Should not work with reverse polarity connection	The test sample must be fully functional after the test. There should not be any crack , fire , deformation during and after the test.
3	Short circuit protection	If short circuit is detected more than 200ms. Fan will turn off automatically.	The test sample must be fully functional after the test. There should not be any crack , fire , deformation during and after the test.
4	Insulation Resistance Test	500 V DC with Megger between ground & housing for 60sec	Before test:- more than 10 Mohms After Test :- more than 1 Mohms
5	Temperature rise limits	Temperature should be measures by thermocouple of following parts after fan running 4 HRS at rated supply Voltage	

		1) Stator Winding 2) Bearing (Both side) 3) Electronic Circuit Components	115 °C Maximum 100 °C Maximum 90 °C Maximum
6	Reliability Test	High -Temperature test	1. Motor in 85 °C ambient for 96 hours without applying voltage 2. Motor in normal ambient for 24 hours 3. Test the insulation resistance should be more than 10MΩ
		Low -Temperature test	1. Motor in -30 °C ambient for 96 hours applying voltage 2. Removing the water drops on the motors surface, put motor in normal ambient for 24 hours 3. Test the insulation resistance should be more than 10MΩ
		High - humidity operation test	1. Motor in the environment of $40 \pm 5^{\circ}\text{C}$ and 90-95% RH for 96 hours with the rated load 2. Motor in the environment of normal temperature and humidity for 24 hours 3. Test the insulation resistance should be more than 10MΩ
		Thermal Cycle Test 85 °C 2hrs & -40 °C for 2 hrs, transfer time from hot chamber to cold chamber should not be more than 30 Second. Test should perform for 5 cycles	Performance within design Specification. No breakage, deformation observed
7	Temperature Rise	Temperature of winding should be measured after fan running for 4 hrs on 12 VDC & 25 °C Ambient	Temperature rise should not be more than 65 °C
8	Noise Test	At the distance 1.0 Mtr from the fan	27 dB Max.

ELECTRONICS

- I. The charge controller should be of MPPT type with MPPT efficiency more than 95 %.
- II. Electronics should operate at 12 V and should have adequate temperature compensation arrangement for proper charging of the battery throughout the year.
- III. Necessary lengths of wires / cables, switches and fuses should be provided.
- IV. The system should have separate ports for connecting each load.
- V. The system should have 2 USB ports for connecting loads.
- VI. The idle current i.e. when there is no load and no display, should be less than 40 mA respectively.
- VII. The voltage drop from module terminals to the battery terminals should not exceed 1.0 volts including the dropage across the diode and the cable when measured at maximum charging current.
- VIII. The PCB containing the electronics should be capable of solder free installation and

replacement.

- IX. Necessary lengths of wires/cables, switches suitable for DC use and fuses should be provided

ELECTRONICS PROTECTION

- I. Adequate protection is to be incorporated under “No Load” condition, e.g. when the lamps and other loads are removed and the system is switched ON.
- II. The system should have protection against battery overcharge, deep discharge condition.
- III. Load reconnect should be provided at 90% of the battery capacity status.
- IV. Adequate protection should be provided against battery reverse polarity.
- V. Fuses should be provided to protect against short circuit conditions.
- VI. Protection for reverse flow of current through the PV module(s) should be provided.

MECHANICAL COMPONENTS

- I. Corrosion resistant frame structure should be provided to hold the SPV module.
- II. The frame structure should have provision to adjust its angle of inclination to the horizontal, so that it can be installed at the specified tilt angle.
- III. Light source should be either for wall mounted or ceiling mounted or can be hung from the ceiling in a stable manner, as per site requirements.
- IV. A vented plastic/ wooden/ metallic box with acid proof corrosion resistant paint for housing the storage battery indoors should be provided.

INSTALLATION OF SYSTEM

Modules shall be mounted on supporting structure made out of galvanized MS angle of required structural strength (hot dip/galvanized) either on the roof top or at ground as per the site requirement

1. The size of M.S. (Galvanized) angle should be 30 x 30 x 5 mm. The structures are to be fitted either on the roof top or at ground properly and south faced. It should withstand wind speed up to 120 Km/hour.
2. Foundation – The legs of the structure made with hot dip GI angles will be fixed and grouted in the RCC foundation columns of size 300mmx300mmx300mm made with 1:2:4 cement concrete. The minimum ground clearance from the lowest part of any module shall be 500 MM. While making foundation design due consideration will be given to weight of module assembly and maximum wind speed of 120 km per hour.
3. The work includes necessary excavation, concreting, back filling, shoring and shuttering etc.
4. Any minor items which are not specifically included in the scope of supply but required for proper installation and efficient operation of the SPV systems, is to be provided by the manufacturer as per standards.

EARTHING

The PV module structure shall be grounded properly using adequate number of earthing kits. All metal casing / shielding of the Solar power pack shall be thoroughly grounded to ensure safety.

ELECTRIC CABLE

- I. The electric cable used shall be twin core PVC insulated water and UV resistance copper cable of minimum size of 1.5mm. Cable shall meet IS 1554 / 694 Part 1:1988 & shall be of 650 V/1.1 kV.
- II. Cables of appropriate size should be used to keep electrical losses to a bare minimum.
- III. All wiring should be in a proper conduit or capping case. Wire should not be hanging loose.
- IV. Wiring should be joint less and switches & fan regulator should be of appropriate value and suitable for DC operation.

INDICATORS

- The system should have two indicators, green and red.
- The green indicator should indicate the charging under progress and should glow only when the charging is taking place. It should stop glowing when the battery is fully charged.
- Red indicator should indicate the battery “Load Cut Off” condition

QUALITY AND WARRANTY

- I. **The Solar home system including Battery will be warranted for a period of five years from the date of supply.**
- II. **The PV module(s) will be warranted for a minimum period of 25 years from the date of supply.** PV modules used in Solar Home System must be warranted for their output peak watt capacity, which should not be less than 90% at the end of Ten (10) years and 80% at the end of Twenty five (25) years.
- III. The Warranty Card to be supplied with the system must contain the details of the system. The manufacturers can also provide additional information about the system and conditions of warranty as necessary

OPERATION AND MAINTENANCE MANUAL

An Operation, Instruction and Maintenance Manual, in English and the local language, should be provided with the Solar Home System. The following minimum details must be provided in the Manual:

- Basic principles of Photovoltaic.
- A small write-up (with a block diagram) on Solar Home System – its components, PV module, battery, electronics and luminaire and expected performance.
- Significance of indicators
- Type, Model number, voltage & capacity of the battery, used in the system.
- The make, model number, country of origin and technical characteristics (including IESNA LM-80 report) of W-LEDs used in the lighting system must be indicated in the manual.
- Clear instructions about mounting of PV module(s).

- Clear instructions on regular maintenance and trouble shooting of the Solar Home System.
- DO's and DONT's.
- Name and address of the contact person for repair and maintenance.

Note:

- a. The material should confirm to the latest MINIMAL TECHNICAL REQUIREMENTS / STANDARDS FOR **SPV HOME SYSTEMS** UNDER THE PROGRAMMES OF MINISTRY OF NEW AND RENEWABLE ENERGY, GOI and as amended from time to time.
- b. Material shall be strictly as per DNIT specifications. If there is any left out specification, the same shall be considered as per the latest specifications applicable as per MNRE/ BIS/International Standards.

NOTE: If required, additional sheet may be used.

* List of beneficiaries along with beneficiary wise details of material may be attached.

Certificate from Project Officer/ Asstt. Project Officer

Following are certified in reference to work order no..... dated
for supply, Installation & commissioning of 150W Solar Home System (DC Model), installed
by the supplier M/s.....

1. The material supplied is as per pre-despatch inspection clearance of the approved team of the HAREDA.
2. The plant/ system has been installed & commissioned in good condition as per technical specification of tender document and Rate Contract.
3. The work has been completed on dated: {With in stipulated period / with a delay of days}.
4. Instruction Manual and Guarantee Card have been provided to beneficiaries.
5. The Supplier has provided basic training to the beneficiaries for day to day care & maintenance of the system/ plant.
6. The name, complete address, contact person and contact number along with e-mail address of the supplier has been provided to the beneficiaries.

Signature of the beneficiary

Signature of Project Officer/
Asstt. Project Officer,

SECTION VIII

ONLINE BID SUBMISSION

PERFORMA-I

PART-I
TECHNICAL BID (PROPOSAL EVALUATION)
Check list for evaluation

(A)- Information regarding tender fee, EMD etc.

S.No.	Details required	Proof Attachment at online bid and amount in Rs.	Page No. online bid submitted
1.	Tender Document Fee		
2.	e-Service fee		
3.	Earned Money Deposit (EMD)		
4.	Category of Bidder (General/ Manufacturing Small Enterprises (including Khadi & Village Industries)/ Manufacturing Micro Enterprises (including Khadi & Village Industries))		

(B)- Technical Bid Requirements:

S.No.	Details required;	Details of Attachment	Page No. online bid submitted
1.	The Bidder should be either a body incorporated in India under the Companies Act, 1956 or Company Act 2013 including any amendment thereto and engaged in the business of Solar Power. A copy of certificate of incorporation should be furnished along with the bid in support of above.		
2.	Whether , the bidder is any one of the following : (i) Manufacturing Small Enterprises (including Khadi & Village Industries) or (ii) Manufacturing Micro Enterprises (including Khadi & Village Industries) (iii) Manufacturing Medium Enterprises (including Khadi & Village Industries) A copy of certificate of registration issued by Industry Department Haryana should be furnished along with the bid in support of above.		
3.	Bidder should be a registered manufacturer of at least one major component to be deployed in the system/ project or system integrator Furnish the certificate/ document, issued by competent Govt. authority, in support of above.		
4.	a) Proposed minimum quantity/ capacity quoted by the Bidder		

	<p>b) Estimated value (calculation as per bid document) of the offered quantity/ capacity by the bidder.</p> <p>c) Monthly established capacity of the bidder for supply, installation & commissioning of the system/ plant (In nos.)</p> <p>d) Place & State of billing</p> <p>Furnish information in the FORMAT- IV.</p>		
5.	<p>Average annual turnover of the bidder</p> <p>Furnish information in the FORMAT- V</p>		
6.	<p>The bidder should be a profit making company and should have positive net worth in the last three years, ending 31st March of the previous Financial Year.</p> <p>Furnish information in the FORMAT-VI.</p>		
7.	<p>Experience and Past Performance of the bidder</p> <p>➤ Please furnish the information in the FORMAT-VII.</p>		
8.	<p>The bidder should have valid CST/State VAT/TIN registration certificate. Registration document (s) to be provided by the bidder where it is presently operational/Company is registered.</p> <p>A. Copy to be furnished in support</p> <p>B. Tax clearance certificate by the authority concerned.</p>		
9.	<p>The Bidder should have valid Service Tax Registration Certificate.</p> <p>A copy of which should be enclosed.</p>		
10.	<p>If awarded contract, bidder will need to establish at least one Service Centre in the state of Haryana before supply. Till then, an undertaking to be given by the bidder.</p> <p>Furnish information in the FORMAT-VIII.</p>		
11.	<p>Bidder should have not been debarred/blacklisted by any Govt. Deptt's / organization/ PSU's / institutions/ agencies/ autonomous Organizations. If any bidder provides false information regarding debarred /</p>		

	blacklisted or conceals the facts in this regard, Nodal agency reserves the right to forfeit both EMD & Performance Bank Guarantee of the bidder. Furnish information in the FORMAT- IX(A) & IX (B)		
12.	Bidder should have valid test report of complete system/ acknowledgement receipt of sample submitted for testing, issued by the MNRE/NABL/IEC accredited / approved laboratories test centre/ laboratory for testing of Solar Home System (to be uploaded with the bid document) on or after 01.04.2013: Furnish the information along with valid test report/s & tie up certificate/s in FORMAT-X(A) & X(B)		
13.	Duly signed Bid Documents (on Each and every page in confirmation of acceptance of Terms and Condition of Bid)		
14.	Authorization Certificate by the bidder for signing the bid documents on behalf of the company on letter head of the company. Attach authority letter.		
15.	Others (if any)		

Note:-

1. The information in the above table should be filled properly.
2. If any document submitted in support of above parameters found false, the tender will be disqualified and EMD and security Deposit shall be forfeited and bidder shall be blacklisted.
3. Cutting should be verified by the signature with seal on every attempt and overwriting not allowed.

**Signature of authorised signatory
of the bidder with seal**

BID FORM

(To be submitted on letter head of Bidder)

Reference No:

Date:

Place:

To

The Director,
Haryana Renewable Energy Development Agency,
Panchkula (Haryana),

Subject: **Supply, installation, and commissioning including warranty, maintenance for 5 years for 150 W Solar Home System (DC Model) in the Haryana.**

Madam/ Sir,

1. We have read and examined the tender documents relating to the subject cited works (hereinafter referred to as “Works”) as issued by you:
2. Having examined the Tender Documents and being duly authorized we, hereby, bid for the execution, and completion of the Works referred to in the Tender Documents upon the terms and conditions contained or referred to therein and in accordance to all respects with the specifications and other details given therein.
3. ‘PURCHASER’ and its authorized representatives are hereby authorized to conduct any inquiries or investigations to verify the statements, documents, and information submitted in connection with this Bid, and to seek clarifications from our bankers and employers regarding any financial and technical aspects. This Bid shall also serve as authorization to any individual or authorized representative of any institution referred to in the supporting information to provide such information deemed necessary and as requested by you to verify statements and information provided in this application, such as the resources, experience, and competence of the Bidder.
4. We agree to keep this Bid open for acceptance for 120 days from the date of opening of Financial Bid, or such other extended period as may be required by you and also agree not to make any modifications in its terms and conditions of our own accord.
5. We agree if we fail to keep the validity of Bid open, as aforesaid, or we make any modification in the terms and conditions of our Bid of our own accord or after the acceptance of our Bid if we fail to execute an Agreement as prescribed in the Tender Documents or commence the execution of the works as provided in the Tender Documents, we shall become liable for forfeiture of the Earnest Money Deposit. In such an event you shall, without prejudice to any other right or remedy, be at liberty

to forfeit the Earnest Money Deposit absolutely and take other actions as per terms & conditions of the contract.

6. We certify that the Bid submitted by us is strictly in accordance with the terms, conditions, specifications etc. as contained in the Tender Documents, and it is further certified that it does not contain any deviations to the aforesaid documents.
7. The bid is made with the full understanding that:-
 - a) Bids by qualified bidders will be subject to verification of all information submitted for qualification at the time of bidding
 - b) PURCHASER reserves the right to:
 - (i) Amend the scope and value of any work bid under this tender.
 - (ii) Reject or accept any application, cancel the tender process and reject all bidders by giving a written notice.
8. PURCHASER shall not be liable for any actions taken under (b) i and ii above.
9. We undertake, if our bid is accepted, and on receipt of the work order to commence the works and to complete and deliver the whole of works comprised in the contract within the period stated and in compliance with the tender documents.
10. If our bid is accepted, we will furnish Performance Security Deposit as per terms & conditions mentioned in DNIT.
11. We understand that you are not bound to accept the lowest or any bid you may receive.
12. All the major items like module, battery, charge controller, LED bulbs/ tube lights, fan etc. should be indigenously made.
13. We are capable of executing and completing the work as required in the tender.
14. We accept all risks and responsibilities directly or indirectly connected with the performance of the tender.
15. We have no collusion with other Bidder, any employee of HAREDA or with any other person or firm in the preparation of the bid.
16. We have not been influenced by any statement or promises of HAREDA or any of its employees, but only by the tender document.
17. We are financially solvent and sound to execute the work.
18. We have sufficient experience and competent to perform the contract to the satisfaction of HAREDA.
19. We are familiar with all general and special laws, acts, ordinances, rules and regulations of the Municipal, District, State and Central Government that may affect the work, its performance or personnel employed therein.
20. Our company has never been debarred from similar type of work by HAREDA

and or any of the Government undertaking/ Department.

21. We assure to execute the tendered work as per specifications, terms and conditions of the contract. If awarded to us.
22. The undersigned declare that the statements made and the information provided in the Bid including the completed applications and formats are complete, true, and correct in all aspects.

We have gone through carefully all the Bid conditions and solemnly declare that we will abide by any penal action such as disqualification or black listing or termination of contract or any other action deemed fit, taken by, the Department against us, if it is found that the statements, documents, certificates produced by us are false / fabricated.

Date of Submission:

(Signature of the Bidder)
(Seal)

DECLARATION BY THE BIDDER REGARDING QUALIFICATIONS

In relation to my/our Bid submitted to Haryana Renewable Energy Development Agency for procurement of 150 W Solar Home System (DC model) ON RATE CONTRACT, in response to their Notice Inviting Bids No. HAREDA/ SOLAR HOME SYSTEMS /2016-17/01, I/we hereby declare that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity;
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the Union and the State Government or any local authority as specified in the Bidding Document;
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of legal proceedings for any of the foregoing reasons;
4. I/we do not have, and our directors and officers not have, been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into a procurement contract within a period of three years preceding the commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have a conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;

BRIEF DETAILS OF THE BIDDER:

The brief details of the bidder should be filled in by the bidder as under:

S. No.	Particulars required:	Details
1.	Name of Bidder firm:	
2.	Postal Address	
3.	Telephone, Telex, Fax No	
4.	E-mail	
5.	Web site	
6.	Name & designation of the authorized signatory to whom reference shall be made	
7.	Registration Number :	
8.	Date of Registration :	
9.	Registered Address with	
10.	Tel. Number :	
11.	Address of Manufacturing unit with Tel. Number :	
12.	Present activities/business of the firm i. Module Manufacturer ii. Battery Manufacturer iii. PCU manufacturer iv) BIS Flat Plate Collector manufacturer v) Solar PV Cell manufacturer vi) Pump manufacturer vii) Pump charge Controller manufacturer viii) Inverter Manufacture ix) system integrator Any other	
13.	Details of item(s) to be deployed in the offered system being manufactured at their own:	

14.	Details of items (s) being Outsourced (to be tied up)	
15.	Name of Directors of Company (at least Two directors with email IDs & contact Numbers):	(1) (2)
16.	Sales Tax/Vat Registration Number	
17.	Year from which firm is in business in New & Renewable Energy Technology : Major Area (Name of States) of working remained till date :	
18.	Technical Officers/Engineers and other officers/officials working in the company: (attach name and qualification of each person to be deployed in execution of work)	(1)Technical Persons (Nos.)....., (2) Other officers/officials(Nos.).....,
19.	Have the contractor/firm to pay arrears of income tax? If yes up to what amount?	
20.	Have the contractor/firm ever been debarred by any Govt. Deptt. / Undertaking for undertaking any work?	
21.	Name of firms with whom tie-up has been made (Tie up certificate (s) to be uploaded)	a. With..... for..... b. With..... for..... c. With..... for.....
22.	Type of organization - Private Ltd. Company - Public Ltd. Company - Other category	
23.	Registration number TIN No PAN No	

	Any other	
24.	Banker Details of the Bidder for RTGS / Direct Transfer of payments, if any 1- Name of firm 2- Bank Account Number 3- IFSC Code 4- Name of Bank 5- Bank address	
25.	Name of the any close/near relative working in New & Renewable Energy Department, Haryana or HAREDA	Name Designation Place of Posting Relationship
26.	Whether , the bidder is Haryana based any one of the following : (i) Manufacturing Small Enterprises (including Khadi & Village Industries) (ii) Manufacturing Micro Enterprises (including Khadi & Village Industries) (iii) Manufacturing Medium Enterprises (including Khadi & Village Industries) Please specify	
27.	Any other information

STRUCTURE AND ORGANIZATION INFORMATION

1. The Bidder is
 - a) a proprietary firm
 - b) a firm in member ship
 - c) a Limited Company or Corporation / Government undertaking
 - d) a Manufacturing Haryana based Small Enterprise
 - e) a Manufacturing Haryana based Micro Enterprise
 - f) a Manufacturing Haryana based Medium Enterprise
 - g) a Central/ State PSU
 - h) Any other (please specify)
2. For how many years has your Organization been in business of similar & relevant work under its present name?
3. Were you ever required to suspend contract for a period of more than six months continuously after you started? If so, give the name of project(s) and reasons thereof.
